

Karthaus 2008 song

based on Hey ya!! by Outkast

One two three go!

We students we don't mess around
We work so hard all day
We hardly eat at all

We almost never drink
We have no time to sleep
We want to learn it all

Don't try to fight the feelin'
Because math alone is killing me right nooww...

Thank god for Hans and Georg
For putting it together
'Cause we don't know hooowww...
UH!

Chorus:

Kart... haus...
Kart... haus...

We think we've got it
Ohh, we think we've go it
We don't quite know just what yet
And lunch is getting
CoooOOooOOld

We've slept together
Ohh, we've slept together
But single beds are always safer when wine's
InvoooooOOOOOOOoooooooOOOOOOoooooooOOOOOved

And if Hans says: "Karthaus is great!"
Then why it's, Then why it's, Then why it's
Then why it's, Then why it's SO COLD?

So why, why, why
Why, why, why
Why, why, why
We are happy heeeerrreeee...
