UU-SIKS symposium "**Software Architecture Patterns and Practice**"

We are pleased to invite you to participate in the UU/SIKS scientific symposium entitled "Software Architecture Patterns and Practice" that will be held in conjunction with the doctoral defense of Jaap Kabbedijk. The symposium will take place on **Tuesday December 23rd from 9:30 to 12:00 in the** Belle van Zuylen Hall of the academic building (Academiegebouw) situated in Domplein 29, Utrecht.

All SIKS-members are cordially invited to participate. The event is part of the advanced components stage of SIKS PhD-program. Especially SIKS-PhD-students working on the focus Enterprise Information Systems are strongly encouraged to register.

The program of the symposium is as follows:

Time	Title	Speaker	Affiliation
9:15-9:30	Introduction Patterns in Practice	Slinger Jansen	Utrecht University
9:30-10:00	Architecting = Decision Making	Hans van Vliet	Free University, Amsterdam, emeritus
10:00-10:30	Visualizing Performance Analysis	Cor Paul Bezemer	TU Delft
10:30-10:45	Break		
10:45-11:15	Architecture Patterns in Ecosystems	Jan Bosch	Chalmers University, Chalmers
11:15-11:45	Pattern evaluation: Doing the impossible?	Jaap Kabbedijk	Utrecht University

Participation in the symposium is free of charge, but registration is required. If you are going to attend, please communicate your intention to Geraldine Leebeek (G.W.P.Leebeek@uu.nl) and Slinger Jansen (slinger.jansen@uu.nl) as soon as possible.

Deadline: December 12th, 2014

A first-come-first-served policy will be adopted.

In the early afternoon (starting 12:45 sharp), Jaap Kabbedijk will defend his PhD dissertation "Variability in Multi-tenant Enterprise Software" in the Senate Hall (Senaatszaal) of the academic building. If you wish to attend to such event, please inform the local organisation.

For all questions on the SIKS-program (requirements, ECTS-points, graduate school) please do not contact the local organisation, but send an e-mail to office@siks.nl
