

THE ÖTZI BLUES.

E I'm just a lonely shepherd sitting up here on a pass.
A7 Well it's 5000 BP and I got me a brand new copper axe.
B7/A7/E Got nothing to do but to sit here on my ass.

B7
E Cause I've just been down, to Karthaus town,
E/E7 To see my gal but she's found another man,
A7 And I'm feeling so low, I don't know where to go,
E I've never sunk so deep, I think I'll find myself a sheep,
B7/A7/E I got them Ö-Ö-Ö-Ö-Ö-Ö-Ötzi blues.

B7
I had a girl but she found another fella.
I had a girl and her name was Danielle.
Now I'm telling you, I didn't know what to do,
It was a terrible blow when she told me to go,
I got them Ö-Ö-Ö-Ö-Ö-Ö-Ötzi blues.

CHORUS

I found me another girl and I got down on my knees.
"Won't you marry me Anna-Marie".
But she just said no and she showed me the door,
I was down so low I couldn't take it any more,
I'm hurting deep to my core, don't know what I'm living for.

CHORUS

But I didn't give up, that would have been a shame,
There's still the cutest one of all Renata is her name.
But she didn't want to know, she just told me to go,
Now I've packed my sack and I'm never coming back,
I'm feeling so bad and I'm ever so sad.

CHORUS

E So I'm just hanging around in the hills far from friends and family.
A7 I'm totally rejected no one seems to want me.
B7/A7/E Well maybe I'll make the news in the twentieth century.

CHORUS

B7/A7/E I'm feeling so low I think I'll just lie down here in the snow.
B7/A7/E Got nowhere to go so I'll just lie down here in the snow.
B7/A7/E No one will ever know if I just lie down here in the snow.

CHORUS

E I got them Ötzi blues, I got grass in my shoes,
E/E⁷ I've got my belt pouch on but there's still something wrong,
A⁷ Forgot the string for my bow and I'm feeling so low,
E Got my bear skin hat but there's a hole in the back,
B⁷/A⁷/E And my back pack's broke and I'm dying for a smoke.
